

Sport Air Racing

Coming to Pagosa Springs

Saturday, September 25, 2010

Stevens Field; Elevation 7665'

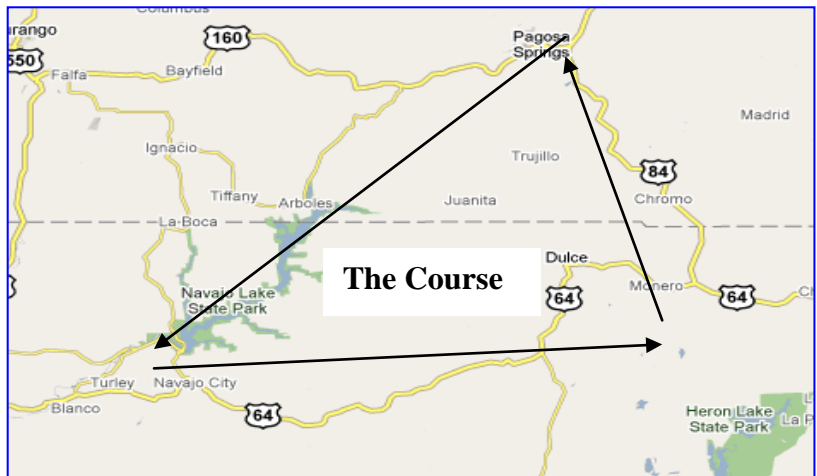

The pre-race line up! Come out and visit with the pilots before and after the race.

SATURDAY
September 25th
Stevens Field

7:00 AM to
Noon

Sport Air Racing League has created a series of races across the country. This will be the second year Stevens Field will host the SARRL in a closed circuit air race beginning and ending at the field. This friendly, fun, non professional racing is for builders and owners to test and improve aircraft modifications. FUN and SAFETY are the key elements of the race. Special recognition and points are awarded that will accrue in the League's Race to the Championship.

The Course
